\* Return NON-REPAIRABLE Units  \*\* Return Defective Batteries

Radios with water damage or major physical damage may not be repairable - See Terms below.

- REPAIR TERMS: All units deemed to be un-repairable due to water damage, physical abuse or customer refusal of repair quote will be recycled by 2WRP at no charge to the customer. If customer requires non-repairable units to be returned, please check the return radios check box above (and we will, at customer's expense, ship them back. Batteries returned for repair that are deemed to be defective or will no longer hold a charge after being analyzed will also be recycled by 2WRP at no charge to the customer. If customer would like all batteries returned, please check the "Do Not Recycle" box in section above and we will return the defective batteries at customer's expense.
- I Agree to the Terms and Conditions above:*
